## STORAGE AND DISPOSAL

Store in a closed, original container in a cool, well ventilated area away from children, pets, animals, food and feedstuffs. DO NOT store for prolonged periods in direct sunlight. Triple or pressure rinse containers before disposal. Add rinsings to picker tank. DO NOT dispose of undiluted product on site. If recycling, replace cap and return clean containers to a recycler or a designated collection point. If not recycling, break, crush or puncture and bury empty containers below 500mm in an approved disposal pit at a facility specifically approved for this purpose, clear of waterways, desirable vegetation and tree roots. Empty containers should not be burnt.
